

IF IT HAPPENS
IT'S HEREHARDY AND MAC
WILL BE FEATURE CARD IN TUESDAY NIGHT'S RACES AT SAUCER TRACK.

Floyd McFarland and Hardy Downing will be the star performers at the Salt Palace next Tuesday evening—unless someone springs one of those surprises which often come in races not expected to furnish them. McFarland and Downing will meet in a match race, French style, for one mile, and this is distinctly a sprint man's race and is not expected to break any records, all of the thrills to be had from it must come in the last lap or two.

The other features on the program will be a three-mile flat race, in which all of the pros will line up, and a three-quarter-mile handicap. The amateurs will have a two-mile flat handicap race and a one-mile open race.

On Saturday night of this week Manager J. M. Chapman will put on what he considers the best card of the season. There are many "best cards" in advance notices, but this is considered to be the best event of them all because it will include, in addition to a pot pourri of races, a six-round boxing exhibition by Battling Nelson, acknowledged by most critics to be the lightweight champion of the world. The regular races will be held on Friday night, while Saturday's program will be a special event.

Manager Chapman announces and wants it distinctly understood that this is not to be a stag event, despite the fact that Nelson will be the headline. It will be like any other race night, the band playing all of the old favorites, and the stands gay with women in their summer dresses. It will be an opportunity to the women to view a champion of the world in action.

The Durable One is at present in Ogden, but he will be down early this week and will stay here until after Saturday night. He has always been a big favorite in Salt Lake, as this is the town in which he got his start. Before he fought "Spider" Welch at the Salt Palace here in March, 1904, he was practically unknown. His victory in that battle enabled him to get a match with Martin (anole) in San Francisco, the mecca of all fighters. Then followed a match with Eddie Hanlon, from then on Nelson went gradually up the ladder until today he is in a class by himself.

The bicycle features of the evening will include trials for the one-mile motor-paced record, by Iver Lawson and Hardy Downing. Both will use wheels having 28 gears. Lawson insisted upon this, as he is using a 36 gear in his training for his match races with Frank Kramer, to be held later in August. Clem Turville and T. M. Samuelson will try to decide which has the better motor. Turville's motor is working well last Friday evening, as was evident to any one who has seen it work when it is ready in shape. Kramer will follow a motor for one mile in an attempt to break the amateur record, and that constitutes the program, not mentioning the music by Held's organization.

The accident took place near Elmhurst, about six miles east of Oakland. After killing Blisset, the automobile ran into a ditch and was badly wrecked. BG OFFER MADE BY MC'CLOSKEY

St. Louis Will Give \$17,500 for Lumley and Jordan of Brooklyn.

This is a season of \$10,000 "beauties" in baseball. Cy Seymour is said to have cost the New York club that sum, and the St. Louis club, it is alleged, got a like sum for "Spike" Shannon and Danny Shay. There are many who doubt that the St. Louis club received any such money for Shannon and Shay, but Manager McCloskey of the Cardinals says he is willing to give \$17,500 for Harry Lumley and Tim Jordan of the Brooklyn club, and part of this money, he says, was derived from the sale of players to the New York club.

Manager McCloskey rates Jordan and Lumley as \$10,000 men, but thinks that if he buys the pair of them he should get them for \$17,500. If he ever made this offer he must have known that it would be rejected. At present Jordan and Lumley comprise the backbone of the Brooklyn club, and if President Zibbets was to sell them he probably would lose more in patronage than he would receive in cash for the players. Anyhow, Manager Donovan says no money can buy these two stars.

Under the Donovan regime Brooklyn has become a live baseball town once more, and not of the players but of the contributors more to the club's success than Jordan and Lumley. Both are heavy hitters, and Jordan is the best first baseman in the league. They have won many a game by their timely stick work.

GLIDDEN TOUR COMES TO END

Thirteen Autos Out of Sixty Complete Road Run of 1,134 Miles.

Longwood, Mass., July 28.—Harold H. Hackett and Frederick B. Alexander of New York, a Yale-Princeton combination, won the eastern lawn tennis championship in doubles at the Longwood cricket club today, for the second time, by defeating W. J. Clodier of Pennsylvania and William A. Larned of Summit, in a hard-fought contest, three sets to two. The match lasted nearly three hours, sixty-seven games being played, with the final score 7-5, 6-2, 5-10, 6-3.

Hackett and Alexander will meet the western champion at Newport on Aug. 2, and the winners will have the right to play Ward and Wright, the present national title holders, on the following day. Of the sixty-five games played in the match today, twenty-six went to Deuce, while in the fourth game of the first set 22 points were scored before Hackett and Alexander captured it.

Rio de Janeiro, July 28.—A reception was held by Secretary of State Root this afternoon in the Abrantes palace. He was born in Dudley, Worcestershire, England, in 1871, and came to Utah with his father, Joshua Hartshorn in 1881, since which time he has lived mostly at Vernal. He was unmarried.

F. A. McBurney, a traveling salesman from New York, lost a telescope trunk containing linen samples valued at \$30 yesterday, while coming to Provo from American Fork, the trunk dropping off the wagon.

Jacob F. Gates is down from Salt Lake. Charles McLaughlin, who was fined \$7.50 by Justice Noon yesterday for being drunk, paid his fine and went out to celebrate the event in another overindulgence. He was fined \$7.50 for being drunk, which he did not pay.

Willard Woodhead has sworn to a complaint in Justice Noon's court, charging Jesse Thompson with using abusive language. Thompson will have a hearing tomorrow.

William Davis and J. A. Smith are charged with fighting and will have a hearing today in Justice Noon's court. The trouble between them occurred in the Exchange saloon in the afternoon on the 24th, and was the preliminary to the more serious event in which George Ferrefigue and in which young Wright was so severely stabbed.

A son has been born to each of the following families: Mr. and Mrs. Albert Manwaring and Mr. and Mrs. Claude Fleming; all well.

Secretary Taylor of the state board of horticulture, was in Provo today and visited the orchard at the state mental hospital. He reports the trees in an exceptionally fine condition.

RESIGNATION IS ACCEPTED

Independence League Sends Letter to J. G. Phelps Stokes, Who Turns Socialist.

New York, July 28.—The executive committee of the Independence league today accepted the resignation of J. G. Phelps Stokes from the league. In doing so the committee wrote Mr. Stokes in part as follows: "Dear Sir: On behalf of the Independence league, we accept your resignation. We thank you for your earnest work done in behalf of the league and for the part you have taken in the campaign last fall. The Independence league membership, in common with all patriotic Americans, recognizes and admires your sincerity of purpose, your honest desire, repeatedly demonstrated, to be of service to your fellowmen.

"While respecting the sincerity which has prompted you to take up a new line of belief and effort, the Independence league is compelled to express strong disagreement with you as to the remedies required by present political and social conditions and also as to the general attitude and wishes of the American people.

"You express your belief that existing evils will be remedied by Socialism. The Independence league believes that they can and will be remedied by Americanism. The Independence league is conservative. It is opposed to Socialism and is committed only to the public ownership of public utilities for the public good. The Independence league is not opposed to capitalism, large or small. It believes that this country should offer the greatest financial rewards of any country in the world to those who through industrial enterprise and ability confer benefits upon the public, but that there should be no reward for robbery, no opportunity for the shrewd and unscrupulous to grow rich through extortion.

"The letter is signed by William Randolph Hearst, Samuel Seabury, Clarence J. Shearn, Thomas Gillerman, Mr. C. Palmer, John Ford, John Palmerie, C. A. Haviland, J. G. Follansbee and M. F. Ihmsen, executive committee.
